To Whom It May Concern,

I am writing this letter of recommendation for Kellyn Gonzalez, a dedicated and accomplished student whom I have had the pleasure of working with as a Marketing Intern at Puzzle Pieces Marketing. As President and Founder of Puzzle Pieces Marketing, I have closely observed Kellyn's contributions to our team and her exceptional skills in marketing, leadership, and problem-solving.

Before the internship, Kellyn demonstrated determination and strong initiative to gain the internship position. She consistently reached out on LinkedIn and would follow up periodically for updates on the opportunity. Kellyn's eagerness to learn and ambition to get involved made her stand out and I knew I wanted to have her as an intern.

Since joining Puzzle Pieces Marketing, Kellyn has continued to impress me with her proactive approach, creative thinking, and dedication to the tasks at hand. Her contributions to various projects, including social media content creation and website redesign support, have showcased her adaptability and proficiency in tools such as Google Suite, WordPress, design software, and project management platforms, such as Zoho. Throughout her internship, Kellyn's ability to foster relationships contributed to the success of client partnerships and meetings. She serves as a valuable asset in bringing a new perspective to nonprofit work through her adaptability and exceptional problem-solving skills.

Overall, I wholeheartedly recommend Kellyn Gonzalez for any opportunity that requires a motivated, creative, and results-driven individual. Her strong communication skills, combined with adaptiveness and leadership skills, make her an exceptional candidate. I have no doubt that Kellyn will continue to excel and make significant contributions in any endeavor she chooses to pursue.
